

St. Mark Freedom School

The St. Mark Freedom School is requesting your help in raising funds to support programs for our students in the Chatham community. Freedom Schools' emphasis is on advancing literacy levels, social action, and family interaction—rooted in the Black culture.

We are partnering with Black-owned Mama Moore's popcorn to raise funds. You can help by making a purchase (50% of all proceeds go to the SMFS) or you can donate without buying anything (100% of all donations go to SMFS). Our goal is to raise \$5000, and every dollar helps!

Please visit our campaign page to contribute.
